The California Officials Association Accreditation Committee met on August 12, 2008 to review the applications for accreditation submitted by your officials association. The term awarded to your association is for:

Term of Accreditation: 6 years

The term of accreditation for your association will expire on June 15, 2014.

Recommendations:

In future years SCVOA will need to submit a complete set of constitution and bylaws for review and not rely on constitution on file as this made the process difficult for the committee to mix/match and be accurate in their assessment.

To renew your term of accreditation, please go to www.cifstate.org and download the paperwork from the "Officials Center" which is located within the Resource Center.

Application for renewal should be received by **May 1st of the year of expiration.** If you have any questions related to the accreditation process, please contact me at (510) 521-4447.
